Phase II Basic Strategy - Relocation

• Executed through the IMCOM Volunteer Process
  - Every permanent employee volunteer guaranteed a job offer at their current pay band/equivalent level
  - Administered via “BINDING SURVEY OF INTEREST” (SOI) o/a 31 October 2009
  - Must meet OPM/DOD qualification standards
  - Employee volunteers for their current permanent position/pay band

• Job offer order of priority

  - Indirect Match: Same/Similar functional family
  - Other Match: Jobs that may need to be restructured to make an offer
Phase II Basic Strategy - Relocation

• **Job offer relocation priority**
  - HQs core staff priority for matches in FSH; May indicate a secondary preference for region forward deployed FST
  - HQs personnel already co-located with region have priority for forward deployed FST positions

• **Relocate in Phases**

• **Management determines move date of position with consideration of employee preference or personal circumstances**
